

Info for Youth

We are excited to tell you about a new group in the Triangle! The group is for all children ages 7-12. We will hold meetings every other week on Sunday afternoons.

At the meetings you can:

- meet cool people your age
- make new friends
- do fun stuff
- talk about things you don't normally talk about (such as being a boy or a girl, having crushes, what you like or don't like about school, what you want to change about the world, and whatever else you want to talk about!)
- meet people who are different from you and try different ways of being yourself
- learn about words like 'gay' and 'lesbian' and what it means to be these things
- change the world to be more like you want it to be
- play games and eat snacks
- make art or music
- decide what to do at other meetings!

We will also take trips to do fun things around the Triangle (like go-carting or roller skating), and we'll have a sleepover in the winter!

We hope you want to be in this group!
